To,

The Officer Incharge,

Srinagar municipal corporation.

Sub –Request for putting a garbage bin in our area

Respected sir,

Respectfully we want to say that the garbage have been accumulated near my house area.It has become very much unsafe because of the dogs surrounding around it.Also it is looking very dirty and uncomfortable.The garbage is a breeding centre for insects like mosquitoes that are causing severe problems like typhoid,malaria.

This is very harmful for us,It also smells very bad.some other animals surround the garbage and make it more dirty.Hence ,I request you to put garbage bins in our area and also please enlighten people to throw garbage in garbage bins.

I am looking forward to your support and co-operation.

Thanking you,

Yours sincerely,

Your name
