

# DELHI MODERN PUBLIC SCHOOL, PAMPORE

Class:3<sup>rd</sup>

Subject: S.st

Study Material: Term –I

Lesson no.13

Topic: Our states and Union Territories

This lesson tells us about our country , its states and union territories . We live in India .India is a big country and its capital is New Delhi. It lies in the continent of Asia. It is divided into smaller areas called states and union territories . Each state is run by the state Government but the union territories are run by the central Government .The governor , Chief minister and other ministers make up state government. The president and Prime Minister are members of the Central Government.

## **DAY 1:**

Read lesson no. 13 (Half) underline important words and learn them.
